Activities Clubs

Miami-Dade County Public Schools students may participate in a wide variety of activities, including student council, subject-area clubs, honor societies, service clubs, school publications, and class activities. School-sponsored clubs may be curriculum-related or non-curriculum-related.

Curriculum-related clubs are student groups whose goals are an extension of the activities and objectives in a particular subject area within the school's curriculum. Conversely, non-curriculum-related clubs are student groups whose goals are special interest oriented and not directly related to the curriculum. Meetings of non-curriculum-related clubs may be scheduled only at times when instruction is not taking place, either before or after school.

Non-School Sponsored Clubs

The State of Florida prohibits the participation of public school students in Fraternities or Sororities, or any other secret society whose active membership is comprised wholly or partly by public school students and its members are selected based on the decision of its members, and not on the rules of the school.

Fieldtrips and Special Activities

The Student Activities Office is responsible for coordinating fieldtrips and activities pertaining to clubs and classes. Participation in fieldtrips requires that the student present a fieldtrip form signed by the parent/guardian to his/her teacher(s) in advance. It is the student's responsibility to make up the work missed while on a fieldtrip. In addition, at times vendors who have a "no refund" policy will require schools to pay the full amount of the fieldtrip prior to the event. In this case, students/parents will be notified in advance of the vendor's "no refund" policy.

Senior Activities

Students and parent(s)/guardian(s) must read and sign the Miami-Dade County Public Schools Contract for *Student Participation in Interscholastic Competitions or Performances (FM-7155) (08-07)*.

Fundraisers – Board Policy 5830

Fundraising activities must be conducted during non-instructional class time, preferably before and after school. An *Application for Fundraising Activity*, M-DCPS Form 1018 must be completed. Regional Center approval is required for any fundraising activity where collections take place outside of school grounds. This approval can be obtained by completing M-DCPS Form 5656, *Region Center Approval for Fundraising Activity (Community Sales)*.

Fundraising activities involving students working or providing services for community events or outside business organization for which compensation, monetary or otherwise, will be given either to the students or the school, **are not** allowed to be conducted as school-sponsored/student fundraisers. High school students are allowed to participate in the sale of magazines.

Athletics

The Division of Athletics, Activities and Accreditation works with M-DCPS school sites to provide students with opportunities to participate in athletics at various levels. Athletic programs are offered at K-8 Centers, middle schools and high schools. At the high school level, interscholastic programs are offered at most senior high schools. If a student attends an M-DCPS senior high school that does not offer athletics, he or she may participate at their home zoned high school. For participation in interscholastic athletics at the high school level, a GPA of 2.00 in conduct and academics is required except for incoming freshman. All participants must purchase athletic and/or football insurance to participate and must have a current physical form on file.

The parents and student must also sign the [*Contract for Student Participation in Interscholastic Competitions or Performances*](#). The District also has policies concerning transfer students and participation in athletics. If a parent has questions concerning these policies, he or she should contact the Division of Athletics, Activities and Accreditation for clarification.

Southwest Athletics and Activities welcomes you and your family to the best high school in Miami-Dade County. During your time here, we encourage you to become an active member of our school community. Sports and other extracurricular activities provide students with great experiences and the best memories of high school life.

Physical Examinations

Every student athlete must have a physical examination prior to any participation in athletics. Physical examinations will be given free of charge to students on designated days. Student athletes must be accompanied by a parent or guardian because the physical forms must be notarized. For your convenience, a Notary Public will be present to perform this service free of charge.

Insurance

All students taking part in the interscholastic athletic program must participate in a School Board-approved insurance program for that sport. Purchase of School Board-approved insurance is required prior to participation in the fall football program, spring football program, and all other interscholastic sports programs. Benefits under this insurance program are secondary to benefits covered under any other hospital/medical/surgical coverage that you may have purchased.

Birth Certificates

All first-time athletes and freshmen must show their original birth certificates to the Athletics Office as proof of age before they can be made eligible to compete. This is a state requirement. On the day of the physicals, please bring this document with you. If you are not a US citizen and do not have a birth certificate, you may bring your passport. If you are an American citizen, we can only accept your original birth certificate or a certified hospital record. We cannot accept baptismal certificates or a driver's license as proof of age.

Attendance Policy – [Board Policy 5200](#)

Student attendance is a means of improving student performance and critical in raising student achievement. Together, the staff of Miami-Dade County Public Schools, students, parents and the community must make every effort to lessen the loss of instructional time to students.

Excused School and Class Absences and Tardies

1. Student illness: Students missing 5 or more consecutive days of school due to illness or injury are required to provide a written statement from a health care provider. The written statement must include all days the student has been absent from school. If a student is continually sick and repeatedly absent from school due to a specific medical condition, he or she must be under the supervision of a health care provider in order to receive excused absences from school.
2. Medical appointment: If a student is absent from school due to a medical appointment, a written statement from a health care provider indicating the date and time of the appointment, must be submitted to the Principal.
3. Death in the immediate family
4. Observance of a religious holiday or service when it is mandated for all members of a faith that such a holiday or service is observed.
5. School-sponsored event or educational enrichment activity that is not a school-sponsored event, as determined and approved by the Principal. The student must receive advance written permission from the Principal or the Principal's designee. Examples of special events include: public functions, conferences, and regional, state and national competitions.
6. Court appearance of the student, subpoena by law enforcement agency, or mandatory court appearance.
7. Outdoor suspension.
8. Other individual student absences beyond the control of the parent/guardian or student, as determined and approved by the Principal. The Principal shall require documentation related to the condition.

Unexcused School Absence

Any absence that does not fall into one of the above excused absence categories shall be considered unexcused. Any student who has been absent from school will be marked unexcused until they submit the required documentation as specified above. Failure to provide required documentation within three (3) school days upon the return to school will result in an unexcused absence.

Unexcused absences include:

1. Vacations, personal services, local non-school event, program or sporting activity
2. older students providing day care services for siblings;
3. illness of others;
4. non-compliance with immunization requirements (unless lawfully exempted).

Students who are tardy to school after 7:20 A.M. should report to Room 102 to receive a pass to class.

Any class time that is missed because of a tardy will be counted as an unexcused absence from that class. Excessive days tardy to school will result in administrative action. **Students who have a total of six (6) days of suspension and/or 10 or more absences and/or 20 or more days tardy/ excused early will not be allowed to participate in extra-curricular activities.**

Early Sign Out - Board Policy 5200

The early release of students causes disruption to the academic performance of all students and may create safety and security concerns. No students shall be released within the final 30 minutes of the school day unless authorized by the Principal or Principal's designee (i.e., emergency, sickness). A student who must leave school early is required to go to the attendance office for a **PERMIT TO LEAVE** and to sign out. A parent or guardian must be contacted and must come in person to pick-up the student. In addition, the parent or guardian must present a picture I.D. If a parent or guardian **cannot be contacted**, the student **will not** be permitted to leave. If the student returns to school the same day after an appointment, he/she must check in with attendance personnel before going to class. The parent may come to school early that day and prearrange a sign out. Students leaving early will be marked absent in all classes missed. ***When a student is absent from class because he/she was excused early, he/she will need a note from a doctor, hospital, or court to receive an "excused" absence from the missed class(es). It is strongly suggested that all appointments be made for after-school hours or on non-school days.***

Miami-Dade County Public Schools (M-DCPS) is committed to providing a safe teaching and learning environment for students, staff, and members of the community. The revised COSC identifies, recognizes, and rewards model student behavior within a framework of clearly established and enforceable rules and policies. It advocates a holistic approach to promoting and maintaining a safe learning environment and requires active participation from students, parents/guardians, and school staff. Students and parents/guardians can access the English, Haitian/Creole, and Spanish versions of the document on the M-DCPS Website located at <http://ehandbooks.dadeschools.net/policies/90/index.htm> or you may request a copy from your child's school.

Confidential Information

Parents, guardians, and students are protected by The Family Educational Rights and Privacy Act and the Florida Statutes from individuals' access to information in students' educational records and are provided the right to challenge the accuracy of these records. These laws provide that without the prior consent of the parent, guardian or eligible student, a student's records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders.

Each school must provide to the parents, guardians, or eligible students annual notice in writing of their right to inspect and review student records. Once a student reaches 18 years of age or is attending an institution of post-secondary education, the consent is required from the student only, unless the student qualifies as a dependent under the law.

Parent-Teacher Association (PTA/PTSA)

The Southwest Miami High School Parent-Teacher Association works with state and national PTAs to support and speak in the schools, in the community, and before governmental bodies and other organizations that make decisions affecting youngsters. Participation in this program is voluntary; however, all students taking part in athletic competitions and/or enrolled in vocational lab classes must carry the student accident insurance. The school will forward the 2018-2019 enrollment application and additional information to the parents.

Emergency Contact Information

Student Data/Emergency Contact Cards are distributed during the first week of school. Students are expected to bring the cards home and present them to their parents or guardians. The card must be carefully completed and then returned. The information provided on the Student Data/Emergency Contact Card will enable school staff to contact the parent/guardian immediately in the case of an emergency. Students may only be released from school to the persons listed on the emergency contact card after presenting a picture identification. No persons, other than school staff, will have access to the information submitted.

Halls/Hall Passes

Approximately five minutes are allowed to pass from class to class. Students should be seated in their classroom when the tardy bell rings. With such a large number of students moving in such a limited time, it is incumbent on each person to move quickly and in an orderly manner observing normal traffic flow. Please do not push, run, or loiter in the halls. Please cooperate with the Security Monitors in the exercise of their duties and present a hall pass courteously when asked to do so. At no time is a student to be out of the classroom during class without an official Yellow Pass. Teachers are not to give verbal permission for a student to exit the classroom.

Immunizations Requirements for School Entry:

Children attending 9th through 12th grade for the 2018-2019 school year need to be properly immunized or they will not be allowed to enter school. The state's school immunization program requires all students attending 9th through 12th grade to receive a second dose of the MMR vaccine. Students must complete a hepatitis B vaccine series in addition to already required immunizations for diphtheria, pertussis, tetanus, polio, measles, mumps, rubella and varicella. All children entering, attending or transferring into grades 9-12 are required to have two doses of the varicella (chicken pox) vaccine or a history documented on DH Form 680 (Florida Certification of Immunization Form).

Children may attend school if they are in the process of completing their immunization series and have a valid temporary medical exemption form on file at the school. Only the Florida Department of Health Certificate of Immunization, DH Form 680, or Florida shots document may be accepted as verification for immunization compliance. Parents/guardians are encouraged to contact their health care provider to schedule an appointment for children affected by the school immunization requirement. Required immunizations are covered under most health insurance policies.

Children whose parents cannot afford to pay for vaccines may receive immunizations under the Vaccines for Children program, which provides vaccines free of charge at county health department centers, and Federally qualified Health Centers. For more information, contact the Special Immunization Program Office of the Miami-Dade County Department of Health at 786-845-0550, or dial 211 and ask for immunization providers in your area.

Financial Obligations

All financial obligations incurred (i.e., school fees, textbook loss or damage, school board issued electronic devices, club activities, overdue or lost library books) must be paid in the school treasurer's office.

Academic Grades

Academic grades are to reflect the student's academic progress based on the standards for the grade level/course in which the student is enrolled. The grade must not be based upon student's effort and/or conduct.

GRADE	NUMERICAL VALUE	VERBAL INTERPRETATION	GRADE POINT VALUE
A	90-100%	Outstanding progress	4
B	80-89%	Above average progress	3
C	70-79%	Average progress	2
D	60-69%	Lowest acceptable progress	1
F	0-59%	Failure	0
I	0	Incomplete	0
NG	0	No Credit due to Excessive Unexcused Absences	0

Conduct

Conduct grades are to be used to communicate to both students and their parents the teacher's evaluation of a student's behavior and citizenship development. These grades are independent of academic and effort grades.

Grade Point Average

When calculating the grade for a semester or an annual course, the following grade point averages are to be used:

- A = 3.50 and above
- B = 2.50 – 3.49
- C = 1.50 – 2.49
- D = 1.00 – 1.49

Honor Roll

For Honor Roll purposes, the point values are taken directly from the report cards. It is computed by taking the sum of the quality point values associated with the letter grades (ex. A = 4.0, B = 3.0, C = 2.0, D = 1.0) for each course taken during the marking period. That total is divided by the number of courses the student was enrolled in for that quarter. Students who achieve a 4.0 in academics, 4.0 in conduct, and all 1s in effort would earn placement on the Principal's Honor Roll. The regular honor roll consists of students who have a B or better in all academic and conduct grades and have all 1s in effort.

Interim Progress Report

Unsatisfactory progress reports will be sent home **at any time** a student is performing unsatisfactorily in academics, conduct, or effort. Interim Progress Reports will be disseminated to all students at each mid-grading period.

5-point Rule

In authorized annual courses, the student's final grade is determined by the teacher as follows: 25 percent for each of four nine-week grading periods with a provision for teacher override. This equates to ten points required to pass an annual course using a 4.0 scale. In order to pass an annual course, students in grades 9-12 must earn a minimum of 10 grade points, five of which must be earned in the second semester.

Out of Area Student Transfers – [School Board Policy 5131](#)

The Regional Superintendent (or designated regional director) may administratively assign or approve the reassignment or transfer of students when the Florida Inventory of School Houses (FISH) capacity of the receiving school is below 100 percent thereafter; and:

The parent or guardian who requests a student transfer must:

- enroll the non- MDCPS student in the school that serves his/her residence address before the request for transfer can be considered;
- complete a Student Transfer form, [FM-3281](#), at that school;
- meet with the principal or designated administrator of that school in order to discuss the reason for the transfer and to attempt to resolve any possible issues at that school site;
- obtain the signature on the Student Transfer Form of the principal or designated administrator with whom the parent/guardian met;
- and submit the Student Transfer Form to the appropriate Regional Center for processing.

In the event a student with an Individual Educational Plan (IEP) requests to attend a school other than the school in which the student is enrolled, parent(s) must meet with Regional Special Education (SPED) personnel to ensure that the programmatic needs of the student can be met at the requested school.

Textbooks and Electronic Devices

Textbooks and Electronic Device issued to students are the student's responsibility. It is the student's responsibility to return the items at the end of the courses or pay for them at replacement cost. **Students who deface textbooks or damage electronic devices in any manner will be charged the full replacement value of the items.** Students will not be allowed to participate in extracurricular activities or graduation ceremonies until all financial obligations are met.

Procedures for Addressing Concerns

For issues involving an individual teacher or class, parents should address their concerns to the following individuals in the order below:

School Center for Special Instructions (SCSI)

School administrators may elect to assign students to the School Center for Special Instruction (SCSI) as an alternative to suspension from school. When misconduct in a class results in an assignment to SCSI, the student should be removed from only the class in which the misconduct occurred. Continued misconduct can result in removal from all classes.

Exclusion from Class

By school board policy, a teacher may exclude a seriously disruptive student from his/her class. In the event of exclusion, the teacher must arrange a follow-up conference with the parent(s) or guardian(s). Exclusions may not exceed 4 hours of class time (2 days).

School Transportation

Miami-Dade County Public Schools will transport more than 60,000 students a day this school year, using a fleet of 1,300 buses on nearly 1050 school-bus routes. The service is for students who live more than two (2) miles from their assigned school and for special needs students.

Before school begins, parents of all students eligible for bus transportation will receive a post card from the school district identifying the student's bus stop and times of pickup and delivery. Information on student bus assignments will also be posted on the Parent Portal at www.dadeschools.net beginning on **Monday, August 13, 2018**. The information on bus assignments on the Parent Portal is updated every night, so parents are encouraged to check it throughout the school year so they can be confident they will always have the most current information on their children's bus assignment. Parents interested in determining their child's transportation eligibility should contact their child's school for information.

The bus driver has absolute jurisdiction over all students on the bus.

1. Students must remain seated at all times while the bus is in motion.
2. Students must keep all parts of the body inside the window.
3. Students must understand that the bus driver has the right to assign seats.
4. Students must be quiet.
5. The bus cannot wait for students who are late.
6. In the afternoon, students have seven (7) minutes to get to the bus.
7. Students will not be permitted to consume food, drinks, candy, or gum while on the bus.

Students who do not comply with the above rules may be prohibited from riding the bus for up to 10 days per incident.

Work Permits

The State of Florida requires age verification prior to referring any child for employment. It is against Florida and Federal Child Labor Laws to employ children under the age of 14. In addition, days and hours of employment are restricted based on the child's age.

The Emergency Operations Plan

Student and employee safety is a primary concern of the Miami-Dade County Public School (M-DCPS) System. The Emergency Operations Plan (EOP) was created to provide school personnel with the necessary leadership skills and knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools /community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school and provide guidelines for devising methods for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parent/guardians to remember during a Critical Incident are as follows:

1. Remain calm;
2. Monitor media outlets for updates and official messages from M-DCPS;
3. Do not flood the school with telephone calls; and
4. If the school is on lockdown, wait until the lockdown is lifted before going to the school.

All school administrators, Region Center Superintendents/Directors and all M-DCPS Police officers have been adequately trained in the school EOP and are prepared to respond immediately during a critical incident or emergency to provide safety for all children.

Accident Reports

Any student who witnesses an accident or is injured in school should report it immediately to the nearest staff member.

Code Yellow/Code Red

In the event of an emergency, the primary responsibility of all school personnel is to provide for the safety of all students. In the event a school administrator announces a possible threat to students and staff safety exists within the community (Code Yellow), or an imminent threat to students and staff safety exists within the school (Code Red) students, faculty and staff will comply with all the procedures outlined in the Miami-Dade County Public Schools Critical Incident Response Plan and remain on lockdown until a school administrator makes an "All Clear" announcement. During a lock down, no one will be permitted in or out of the building until the lock down has been lifted by Miami Dade County School Police and School Operation personnel.

Closing of School

The emergency closing of a school for any cause, such as weather or in which the safety of individuals may be endangered, is at the discretion of the Superintendent of Schools.

Fire Drills

Ten fire drills will take place according to the Miami-Dade County Public Schools Policy and Emergency Procedures. At the sound of the emergency bell, students must stop what they are doing and follow the teacher's instructions. They must clear the building promptly by the prescribed route. Any student who is in the hallway or the restroom at the sound of the emergency bell must proceed to the nearest exit and locate the teacher. Students, teacher and staff must remain outside the building until permission is given to re-enter.

Identification Cards

A student must take a school picture on School Picture Day in order to receive a Southwest Miami High School Student ID card. **An ID is mandatory to purchase tickets and/or to attend events.** Students must have ID badges at all times.

Parking

Miami-Dade County Public Schools or Southwest Miami High School are not responsible for vandalism, theft, or damages to cars. Student parking on school grounds is permitted in the student parking area ONLY. Students MAY NOT park in the other fenced lots. Students parking around the perimeter of the school should have a decal. Students are not permitted in the faculty/staff parking lot at any time.

Students may not use the faculty/staff parking lots as a walkway, picnic area, or for any other activity without administrative clearance.

Visitors

Due to safety concerns, **students are not permitted to have guests** attend school with them at any time. Parents are always welcome, and tours may be arranged to view the school. Classroom visits require a 24-hour notice. Visitors must first register with security at the main entrance, sign-in and produce photo identification, and then proceed to register in the main office. Anyone who fails to follow these procedures will be considered a trespasser and is subject to arrest.

Special Education

The School Board of Miami-Dade County ensures that all students suspected of having a disability are identified, evaluated, and provided appropriate, specially designed instruction and related services, if it is determined that the student meets the state's eligibility criteria and the parent/guardian consents to initial placement.

Prior to referral for evaluation, School districts have the responsibility to ensure that students suspected of having a disability are subject to general education intervention procedures, as appropriate. Students with disabilities who are eligible and require special education will have an Individual Educational Plan (IEP). The IEP describes the student's strengths and weaknesses and documents the services and supports the student needs in order to access a Free and Appropriate Public Education (FAPE) in the least restrictive environment (LRE). The IEP is a working plan that must be developed by the IEP team at least once every 12 months and reviewed, when appropriate, to revise and address any lack of expected progress toward annual goals, or to consider any new information that has been provided through re-evaluation or by the parent/guardian. Parent involvement in the special education process is very important. Parents will be asked to participate in the IEP process each year and to consider the need for their child's re-evaluation at least once every three years.

The Individuals with Disabilities Education Act (IDEA) states that parents of a child with a disability have certain procedural safeguards. The *Summary of Procedural Safeguards for Parents of Students with Disabilities* documents all the information about the rights of parents. This notice of procedural safeguards is made available to the parent/guardian. Rights that are presented in the procedural safeguard document include, but are not limited to, the right of prior written notice; informed consent; participation in meetings; records, independent educational evaluation, mediation, state complaint; local education agency complaint; due process hearings; resolution meetings; due process; attorney fees; discipline; and private school placement.

As the parent of a child with disabilities, you are a very important member of the team that plans your child's education. Be informed and get involved. If you have any questions, please contact your child's school. Staff from the special education department and your child's student service provider will help to answer your questions. Additional information may also be found at <http://ese.dadeschools.net/>.
