

# Your E-ticket will be valid for the May Exam Schedule

- All registered students have been scheduled for these May dates, whether or not they were originally registered for regular or late-testing exams.
- Unless there's a significant conflict, students should test in May so they have the June dates as a backup if they have any disruptions.
- If you can't test on one of these dates, **don't use** your e-ticket for that exam — you'll automatically receive a different e-ticket for makeup testing in June.

# All Exams Offer a June Makeup Date

- Reminder: If you have a conflict in May and don't use your May e-ticket, you'll automatically receive a June e-ticket for that exam.
- You'll also be able to request an e-ticket for June makeup dates if you have any disruption during your May exam.
- You'll receive your makeup e-ticket two days before your exam.
- There are more exam conflicts in June, and no additional scheduled make-up dates after June 1 - 5, so test in May unless it's not possible to do so.
